

Dieting

Written by Dr. John E. Russell Sr -

***YOU KNOW YOU'RE OVERWEIGHT WHEN

1

You step on a talking scale
and it says,
"One at a time, please!"

2

You're wearing a yellow suit
and people two blocks away yell,
"Taxi!"

3

You put on your Honda
instead of getting into it.

4

Your knees buckle
but your belt won't.

***TEXAS A & M STUDY

After years of scientific inquiry,
scientists have discovered
a common cause of being overweight:
Gravity.

***LIKE A BIRD

Wife: "I can't understand why I gain so much weight,
I eat like a bird!"
Husband: "Yeah! Twice your own weight every day!"

***HE WAS SO BIG

That everyone in class
sat next to him.
