THE COACH

The star football player was flunking math
and was about to be dropped from the team.

The coach was interceding:

"Look, we need Sam for the team.

Give him one more chance, OK?"

The math teacher replied,

"Ok, Ok! Johnnie,

answer this one question right,

and you'll pass math.

What is 5 times 5?"

"25," replied Johnnie.

"Come on, Give him just one more chance!"

begged the coach.

YOU'LL GET A BANG OUT OF THIS

Someone had been fishing with dynamite

and the local game warden

had an out-of-town game warden

come in for a sting operation.

The undercover game warden looked around

and finally arranged a fishing trip

with the suspect.

Sure enough, when they had gone several miles

the suspect pulled out a stick of dynamite

lit it, and threw it into the water.

The undercover officer said,

"Don't you know that is illegal?"

The fisherman calmly lit another stick

and handed it to the officer, saying,

"Are you going to just sit there and talk

or are you going to fish?"

NOTICE

This place requires

no physical fitness program.

Everybody gets enough exercise

Jumping to conclusions,

Flying off the handle,

Running down the boss,

Stabbing friends in the back,

Dodging responsibility, and

Pushing their luck!
