

A Case Against Homosexual Practice

Written by Dr. John E. Russell Sr - Last Updated Wednesday, 17 October 2018 21:25

Homosexual practice is an indication that a culture is about to die. We need to intercede for the United States and to educate people about this dangerous and destructive practice. Please pass this information to friends and family.

1. The Bible teaches that homosexual practice is a sin. In ancient Israel, the penalty for sodomy was death:

If a man also lie with mankind, as he lieth with a woman, both of them have committed an abomination: they shall surely be put to death; their blood shall be upon them (Leviticus 20:13, KJV)

Likewise, the New Testament declares homosexuality to be a sin:

Ever since God created the world, his invisible qualities, both his eternal power and his divine nature, have been clearly seen; they are perceived in the things that God has made. So those people have no excuse at all! They know God, but they do not give him the honor that belongs to him, nor do they thank him. Instead, their thoughts have become complete nonsense, and their empty minds are filled with darkness. They say they are wise, but they are fools; instead of worshiping the immortal God, they worship images made to look like mortals or birds or animals or reptiles. And so God has given those people over to do the filthy things their hearts desire, and they do shameful things with each other. They exchange the truth about God for a lie; they worship and serve what God has created instead of the Creator himself, who is to be praised forever! Amen. Because they do this, God has given them over to shameful passions. Even the women pervert the natural use of their sex by unnatural acts. In the same way the men give up natural sexual relations with women and burn with passion for each other. Men do shameful things with each other, and as a result they bring upon themselves the punishment they deserve for their wrongdoing. Because those people refuse to keep in mind the true knowledge about God, he has given them over to corrupted minds, so that they do the things that they should not do. They are filled with all kinds of wickedness, evil, greed, and vice; they are full of jealousy, murder, fighting, deceit, and malice. They gossip and speak evil of one another; they are hateful to God, insolent, proud, and boastful; they think of more ways to do evil; they disobey their parents; they have no conscience; they do not keep their promises, and they show no kindness or pity for others. They know that God's law says that people who live in this way deserve death. Yet, not only do they continue to do these very things, but they even approve of others

who do them (Romans 1:20-32, Good News Bible).

In this passage of scripture, the Apostle Paul is commenting on a degenerate society. The practicing homosexuals mentioned here are hardened, sociopathic people. Paul's intention was to redeem humanity, not condemn humanity. It is plain that some of Paul's converts had been practicing homosexuals, but were now forgiven and healed:

Do you not know that the wicked will not inherit the kingdom of God? Do not be deceived: Neither the sexually immoral nor idolaters nor adulterers nor male prostitutes nor homosexual offenders nor thieves nor the greedy nor drunkards nor slanderers nor swindlers will inherit the kingdom of God. And that is what some of you were. But you were washed, you were sanctified, you were justified in the name of the LORD Jesus Christ and by the Spirit of our God (1 Corinthians 6:9-11, New International Version).

2. Homosexual practice is morally wrong. This is the traditional Catholic, Jewish, Protestant and Muslim stand.

3. The practice of sodomy was illegal in most states.

My last statistics state that 76 percent of our states (38 states) had laws against sodomy. There were valid reasons for passing these laws! However, the federal government passed a law that legalizes consensual sodomy!

4. Homosexual practice is irrational and medically counterindicated. David Reuben, MD, in his book, *Everything You*

Always Wanted to Know about Sex

, and renown Psychologist John Drakeford, EdD, in his book, *Forbidden Love*

, present irrefutable evidence. Drakeford also demonstrates scientifically and through his Integrity Therapy groups that homosexuals can be cured—I have seen this firsthand. Apparently some professionals who do not know how to treat them say that it is impossible to cure them. Some professionals redefine the practice of homosexuality as being normal. This is a copout and it keeps homosexuals in bondage to a destructive lifestyle. The average lifespan of a

.) Recent drugs may keep HIV patients alive longer.

Psychologically, men and women are designed to complement each other, but both can be malconditioned sexually. Homosexuality is one type of malconditioning. According to the late Dr. John Drakeford, Human sexuality is malleable. Young children are especially vulnerable.

5. Homosexuals gravitate to younger sex objects, thereby malconditioning a new generation and reproducing themselves psychologically in others. The victims become the victimizers.

Although only about 3 percent of the population of the United States is homosexual, this percentage could quickly rise if lawmakers remove the restraint on pedophiles and homosexuals. (The former *10 percent* American homosexual figure came from faulty extrapolation).

6. Homosexual practice destroys the basic unit of society—the family. The family is needed to procreate and to serve as a safe, loving, nurturing place for children. Some homosexual leaders openly declare a goal to destroy the family. The family was instituted by God. It is plain to see the Spirit that uses people in an attempt to thwart God's plan is none other than Satan. God commanded Adam and Eve to fill (populate) the earth. Then, after a corrupt human race was destroyed by fire, God once again commands Noah and his family to fill the earth.

The earth has never been filled! Homosexuals are being used by Satan in his attempt to violate the will of God!

7. HIV was primarily spread in our society through male homosexuals. According to the federal Centers for Disease Control and Prevention, 250,000 cases of AIDS were reported through September 1992. In cases reported through 1991, the CDC reports this is how people

contracted HIV:

64% Practicing Male Homosexuals (6% injected drugs also)
23% Injecting Drug Users
6% Practicing Heterosexuals
4% Undetermined
2% Blood, Blood Components or Tissue Recipients
1% Hemophiliacs/Those with Coagulation Problems

8. *The cost in money is prohibitive.* It will cost over 200,000 dollars to treat each AIDS patient, and over 3 billion dollars have already been spent in treating AIDS patients.

9. *Some Practicing homosexuals still can be blackmailed and thus they become a security threat to the nation.*

10. *Those who support the practice of sin in any form are not contending with people, but with God himself.* This is just plain stupid and morally insane. Here are some who have taken a stand against God and the Bible:

The homosexual press.

For the last thirty years or so, the homosexual press In America has used techniques similar to what Paul Joseph Gobbels and Elizabeth Noelle used when they wrote Nazi propoganda for *Das Reich*

, a popular German newspaper. A lie, repeated often enough by authoritative figures, will eventually be believed. Noelle insists that public opinion tends to conform to the purported majority view.

The Media.

The lie that the homosexual press began has been taken up by the United States media. We have seen this "bandwagon theory" work here in the United States, as well as it did in Nazi Germany.

Television Evangelists.

We have been duped into believing that Television Evangelists who openly identify themselves as "TV Evangelists" are the only religious evangelists on television. However, some prominent TV Evangelists are network executives, TV news anchors and actors. Also, newspapers and radio are laden with alien religion.

They preach a *metaphysics*—a religion that is usually Secular Humanism. By simply not mentioning Christianity or Judaism they teach "atheism" by default. God is largely ignored except when his name is taken in vain.

From their atheistic metaphysical presupposition flows their *epistemology* (philosophy of the nature of knowledge or truth). By rejecting the scriptures as the Word of God, anything they conveniently choose becomes "truth" to them.

From their epistemology follows their *axiology*—their values. Axiology is subdivided into *aesthetics* and *ethics*.

s.

Aesthetics

is the study of the nature of beauty or art.

Ethics

is the study of what is right and wrong. Enough remnants of Judeo-Christian values are retained in their degenerate religion to enable it to function. Their degenerate values continue to corrupt their captive audience.

The National Endowment of the Arts.

The National Endowment of the Arts has sponsored legitimate art but it has also sponsored repulsive and immoral "art." The NEA has preached negative "ethics" and taught by example such socially destructive practices as adultery, stealing, lying, murder, abortion and homosexuality. "Art" has been used as a medium to attack Christianity and the very moral fiber that holds our nation together.

Congress chartered the NEA. It should revoke it.

Planned Parenthood.

Dr. Fredrick Jaffe, past President of Planned Parenthood, wrote a memo in 1969. He made several proposals to reduce fertility:

1. Encourage increased homosexuality.
2. Modify tax policies [that would penalize marriage by instituting a] substantial marriage tax.
3. [Create] employment opportunities for women outside the home. ("700 Club Fact Sheet": Christian Broadcasting Network, 3 August 1995.)

Planned parenthood murders babies. It must be abolished and its people brought to justice.

PBS—United States taxpayer subsidized media

Much of PBS programming is anti-Christian. PBS has shown soft pornography, supported homosexuality, preached political correctness and omitted Christian programming. Most of the programming is liberal. Some programming is fair except for the atheistic message. The underlying religion is Secular Humanism. The United States Supreme Court identified secular humanism as a religion in *Torcaso v. Watkins*, 367 U S 488 (1961). The Secular Humanists also state that they are a religion.

You and I as taxpayers have been forced to subsidize PBS—this is unconstitutional— a violation of the First Amendment. In the past 44 years, PBS has received over \$3 billion in government appropriations. In addition, the 1,080 public television and radio stations have received prime frequency allocations and exclusive monopoly broadcast licenses worth over \$5 billion dollars. They have also received hundreds of millions of dollars in federal grants for studios and broadcast equipment. (George Archibald, "Public broadcasting's federal subsidy far exceeds appropriation," *The Washington Times*, National Weekly Edition, 27 February-5 March 1995, p. A1).

Congress must defund PBS and let it compete with other media.

The ACLU.

A Case Against Homosexual Practice

Roger Nash Baldwin(1884-1981), along with others, founded the American Civil Liberties Union (ACLU) in 1920. He served as the director of the ACLU. Baldwin visited Russia and also published a collection of revolutionary pamphlets written by Russian anarchist Prince Pyotr Alekseyevich Kropotkin. Prince Pyotr Alekseyevich Kropotkin was an anarchistic Communist.

Anarchism [is a] political theory that is opposed to all forms of government. Anarchists believe that the highest attainment of humanity is the freedom of individuals to express themselves, unhindered by any form of repression or control from without. They hold that the perfection of humanity will not be attained until all government is abolished and each individual is left absolutely free. Persons who profess or advocate anarchism are denied admission to the United States by a federal law enacted in 1902 (Microsoft® Encarta® Encyclopedia 2002).

Since the ACLU is anarchistic, then according to the federal law enacted in 1902, members of the ACLU should be deported. Is the abolition of government the "freedom" that the ACLU promotes? It is also Marxist, with the goal of almost absolute freedom. Marxism is presented as a form of atheism. Note that Karl Marx, PhD stated in his later years, "I am not a Marxist." If the founder renounced his own godless ideology, why do Marx' followers not renounce it? Richard Wurmbbrand, a pastor who was imprisoned and tortured for fourteen years in Communist Romania, presents evidence that Karl Marx, PhD, was not an atheist, but an apostate Christian who served Satan!

The ACLU declares its support for abortion, child pornography, homosexual practice and the abolition of Christianity. The ACLU is misusing law to fund itself and further its agenda. *The ACLU is evil*

The ACLU must be abolished.

The National Education Association.

The NEA is pro-homosexual and anti-Christian. The NEA (1) has failed to teach our children the basic academic skills needed for life and (2) the NEA has failed to give our children essential character training. In fact, the NEA has lead in training our children to be immoral. Dr. Bill Bennett documented this. In fact, Homosexual activists are now using the public school

system to recruit our most precious treasures— our children—as homosexuals. Planned Parenthood is teaching our public school children to be promiscuous. The Gideons should again be allowed to speak directly to students during assembly and distribute New Testaments to students who will accept them.

The NEA must be abolished.

Conclusion.

Homosexual practice destroys both homosexuals and normal people. Thank God, he can and wants to deliver all of us from the bondage of sin.
